As this school year comes to a close would like to offer my gratitude to many people. First I begin by saying **thank you Jesus!** Thank you for your love of every one of us here at Messiah Lambs. Thank you for providing our needs daily, for protecting us, for dying on the cross for us, for forgiveness and hope in life eternal. **Thank you parents!** Thank you for trusting us to care and teach your children. Thank you for giving us daily encouragement and for praying for us. Your children are the reason we are here. We love each one of them and consider them God's precious gifts to this world. What a privilege it is for us to share in their lives. **Thank you children!** Thank you for your hugs and smiles each day. Thank you for sharing your dreams and ideas. Thank you for giving us hope for our future. Jesus loves each of you with an everlasting love. Now go out and share that love with everyone you meet. **Thank you Pastor Welmer!** Thank you for leading us in Chapel each week. Thank you for shepherding our Lambs' families and staff. You are a blessing to our school.

**Thank you Marian Chrisman and Donna Steiss!** Thank you for coming up to Messiah Lambs to volunteer your time and talents to help us in so many ways. We know your time is precious and the fact that you give it to us makes it even more special. **Thank you Lambs staff!** You have made a difference this school year. You've made a difference to your students and their families and you have made a difference to me! I can't thank you enough for the long hours you put into planning and the smiles you bring to your classrooms each day. Thank you for working together as a team and for sharing the love of Christ with all who come through our doors. I hope you have a joyful summer and I look forward to next school year when are together again. Thank you for partnering with Messiah Lambs!

## INFANTS

**Ms. Pam & Ms. Cathy K.**

Can you believe it's our last month of school? This year has gone by so fast. Look how much your children have grown!

God Gives Us Parents

Our Bible Story: God gives a baby to Abraham and Sarah (Genesis 21: 1-7)

Our focus is to help the children know that God gave them families who care for them.

Bible Verse: God gives us families. (Psalm 68:6, Paraphrase)

Some songs we will sing are: God Loves My Family, God Gives Me Mommy, God Gave Me My Family and I Can Tell Jesus Loves Me.

Play activities include: Where's My Family, Peekaboo – They Love You, and Little Mouse.

The kids will look at pictures of families and we will talk about how Jesus loves families. We might even try a few crafts. May is sure to be amazing!

Thank you for letting us love on your babies, play with and teach them about Jesus. What a wonderful school year it's been.

Have great summers, everyone!

## 3 DAY THREES

(Monday, Wednesday, Friday)

**Jackie Ford**

How quickly this year has gone! This month we will finish up the alphabet, covering 'Z' in the first week. From then on we will be reviewing the alphabet in every way that we can. We'll be doing the same thing with the numbers 1-15, lots of review!

I'm really looking forward to our first unit this month, which is Cinco de Mayo. We get to read another of my favorite books, namely Dragons Love Tacos. It's also time to thank our mothers for the many things they do for us, learn about opposites and talk about all the fun things we do in the summertime.

Our chapel time and Bible stories focus on the ways and places the gospel was spread and how we, too, can tell others the good news

It's so very hard to believe that we are approaching our final month of the school year. Where did the time go? It seems like just a few weeks ago we were beginning a new year together. The children have grown so much this year in their social and developmental skills and they are ready for their new experiences and education. I want to tell you all again how much I have enjoyed being your child's teacher this year. I have been blessed to have to have had parents such as yourselves who were willing to help and support our children. Thank you to the moms who helped with our Easter party, and a special thank you to Mrs. Dean for the wonderful lunch she prepared.

I hope you all have a fantastic summer – stay safe and have fun. I wish all the children not returning next year all the best and those who will be here I hope you stop by and say hello!

We have mixed emotions this time of the year but are excited that our little lambs are moving on. We are so proud of what they have accomplished this year. Thank you for sharing them with us this year as they are special gifts from God. Hope you have a wonderful summer.
