

Fundraising team

The purpose of this team is to generate, plan for, and execute new fundraising initiatives for the youth group. The team will work with Stephanie to involve middle school and high school youth in participating with fundraisers.

- Meet with Stephanie to brainstorm ideas and schedule dates for events
- Gather names of Thrivent members among youth families (Thrivent members can apply for Action Team Grants of \$250 for fundraiser seed money)
- Review past fundraisers and make adjustments as needed
 - Valentine's Day Flower fundraiser
 - Mother's Day Flower fundraiser
 - Spring Bake sale
 - Fall Bake sale
- After any fundraiser, review to determine usefulness for future (note: usefulness is not always measured in money raised, but also in relationships formed or services rendered to the community. Fundraisers that don't ultimately lead to financial gains could be reframed as a service project for the future).
